

million dollars and future benefit value of an estimated \$40 million dollars should be awarded. I believe such an award is justified. I support class representatives receiving an award of 1/2 of 1%, in the aggregate, is appropriate for the prior work and future work in helping audit the future royalty payment methodology. Based upon my understanding of what the Class Representatives have done and achieved, I believe this award is appropriate. Given the fact that Chieftain Royalty Company has also agreed to continue to serve the class by exercising its audit rights for years to come, such an award is all the more deserved. Additionally, I support reimbursement of the requested expenses. I believe that these amounts are fair and should be awarded.

FURTHER AFFIANT SAYETH NOT.
